

Birchgrove Property has opened up Eaglehawk's legendary community spirit like never before.

With a bush boulevard entrance off Harvey's Lane, Canterbury Estate offers lifestyle-sized blocks unparalleled in the area.

The closeness of the Eaglehawk community is only rivalled by the closeness of Canterbury Estate to some of the best facilities in the region.

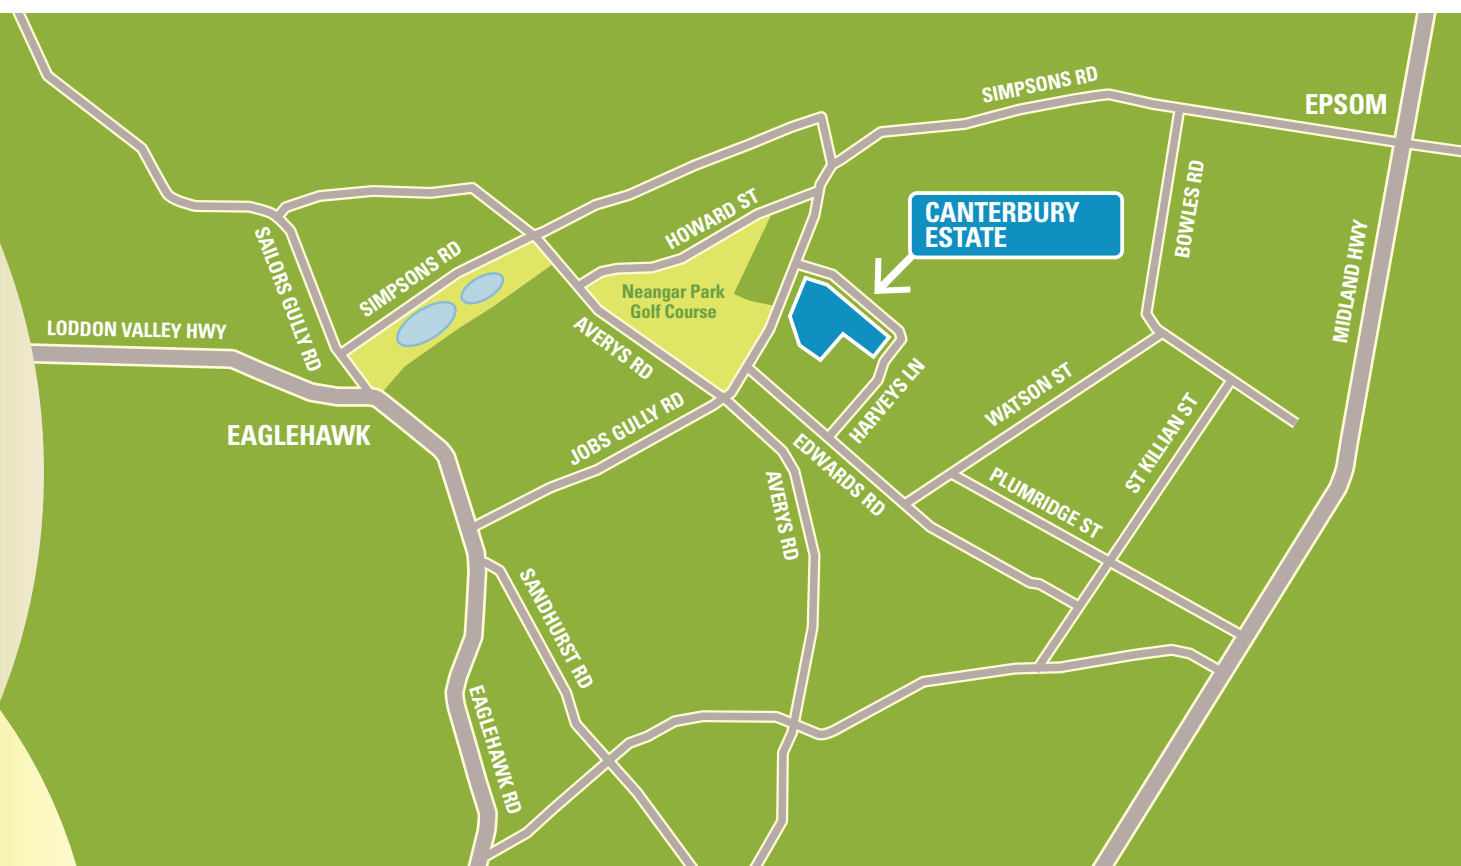

Stroll to one of Bendigo's premier golf courses and enjoy the cycling and walking paths that meander through nature to your door.

Skate and swim or play football, cricket, soccer, netball and bowls in brand-new facilities only minutes away.

Walk around one of three local lakes teeming with wildlife or shop at excellent centres in Eaglehawk and nearby Epsom.

Jump on a bus to the area's four redeveloped schools and enjoy the convenience of having Victoria's newest hospital only five minutes away.

But best of all, be part of a genuine community.
